Hello, I am Mayura from Chiang Mai. I am still single with no kids, but I would like to change that soon. I am a Cristian woman working at the moment as secretary in the thaieldiesforyou office. I love my family and I would like to have my own family. I am a woman who does not mind working hard. I like it when it is quiet and peaceful around me. I would like to meet a man who wants to have his own family with me. He should have a big heart and a good personality. Now, what are you waiting for? Please get in touch with me.
