

## Success stories

### Onin and Paul

Onin, 45 years old, from San Sai near Chiang Mai was with thailadiesforyou since October 2008. Already in November she got to know Paul from Sidney, Australia, using our mail contact service. Paul is 70 years old and retired. Onin and Paul developed a deep friendship by exchanging emails and chatting. Soon, they met on the web every day. They used web cams to get a real picture of each others personality and fell in love.

Onin will visit Paul in February 2009 in Sidney. They will stay 4 weeks together. In spring 2009 Paul will come to Chaing Mai. Onin wants to show him the beautiful north of Thailand. Afterwards Onin and Paul will decide whether they are going to spend their life in Australia or Thailand. The thailadiesforyou team congratulates Onin and Paul. We are happy that they found each other so fast.
